

**Hampton Cove Elementary School (HCES)
Goldsmith-Schiffman Elementary School (GSES)
Hampton Cove Middle School (HCMS)
Parent Teacher Associations (PTA)**

May 15, 2022

Dear Valued Community Partner,

We are excited for our Community Partners program for the **2022- 2023** school year! With the generous commitment and partnership of our Community Partners this past year, our PTAs provided the students and faculty with many impactful events and items that aren't covered by the general operating budget. We were able to bridge the gap between the money provided by the school system and the amount of money needed to keep the level of instruction top notch at our Hampton Cove Schools!

Some items and events we were able to provide this year with your generous donations were:

- **HCMS – Science Lab Equipment updated, small group tables with white board materials, addition of Gaga Ball pits and instillation, Glow Dance for the entire student body, and Teacher Appreciation Week**
- **GSES - Early morning drop off staff, maintenance of courtyards, supplies for Gold Rally awards, Reading Interventionist, and accelerated reading store**
- **HCES - Reading Interventionist, library books, teacher supplies and hospitality, reading support, staffing for early morning drop-off, Back to School Bash, Sweetheart Ball, Amazing Race, Trunk or Treat, and Spring Fling**

All three of our schools in the Hampton Cove community have partnered together as one to ensure our valued Community Partners are able to receive **numerous** advertisement opportunities at **all three schools** that expose your business to over **3,000 students and their families**. We also offer our dedicated community partners advertisements such as: school digital media advertisement, banner advertisement, Spirit Night collaboration and **now** that the students can take home Wednesday folders again, the listing in the Community Partner business directory located in the weekly Wednesday Folders for Hampton Cove Elementary and Goldsmith-Schiffman elementary schools will be placed.

In an effort to continue our school's success, we kindly ask that you consider committing to a community partnership for the **upcoming 2022-2023 school year**. We continuously evaluate our program to look for ways we can improve the benefits you receive as a "thank you" for your generous donation to our schools. Please reach out anytime to let us know how we can serve you better as we partner to make this community a better place to learn, work, and live. Together, we can ensure excellence at all of our Hampton Cove schools.

We look forward to hearing from you!

Sincerely,

Tamitha Dollman
